

# FEEDBACK FROM THE TEACHERS.

"The children have thoroughly enjoyed working with the coaches from AFC Bournemouth. The sessions are great and there has been a super mix of teaching and competitive game play"

"The coaches managed to motivate pupils who were not keen to take part in PE previously. They also managed to challenge the more able pupils from the class."

"It was particularly good to see those children not usually involved in sport getting to take part in quality training. Due to the sessions at our school, we received positive comments during parent's evenings from those parents whose children do not often take part in much physical activity".

"We have absolutely loved having AFC Bournemouth Community Trust at our school, delivering high quality PE".

"As a PE specialist teacher, these lessons have given me extra knowledge and new ideas on how to develop certain skills within football".

- Free of charge PSHE workshops (three per school)
- Access a tour of Vitality stadium
- Opportunity to take part in inter and intra fixture and bespoke tournaments
- The opportunity to take part in the Premier League Schools Tournament (U11 age group)

## CONTINUED PROFESSIONAL DEVELOPMENT.

As part of the Premier League Primary Stars programme, AFC Bournemouth Community Sports Trust will be offering several different ways for teachers to gain Continued Professional Development.

From 2017/18, AFC Bournemouth Community Sports Trust will offer teachers the chance to:

- Be part of a bespoke CPD Plan
- Observe AFC Bournemouth Coaches
- Receive lesson plans throughout the delivery
- Participate in bespoke training days, hosted at Vitality Stadium
- Gain qualifications through the FA Primary Teachers Award
- Be able to sign up Hive Learning- where you can share ideas and feedback, access our Premier League Primary Stars sessions/lesson plans online
- Access extra teaching resources through the Premier League Primary Stars website - [www.plprimarystars.com](http://www.plprimarystars.com)

## THE PREMIER LEAGUE PRIMARY STARS WEBSITE.

As part of the Premier League Primary Stars programme, local schools from Bournemouth and Poole, along with teachers and pupils, will have the opportunity to access content from the Premier League Primary Stars website- [www.plprimarystars.com](http://www.plprimarystars.com).

The Premier League Primary Stars website allows schools to apply for free giveaways and access to opportunities, such as a Premier League Trophy visit, a free schools kit and equipment package, book boxes and more.

The website allows teachers from local schools to have a unique log-in for the website, so teachers can access lesson plans for a variety of subjects that include PE, PSHE, Maths, English and more. Added to this, teachers will be able to create and save content from the website, so this can be used and edited for classes within their school.

The Premier League Primary Stars website is also accessible for pupils from schools, for instance pupils can access stats and facts about their supported professional teams. Pupils can also take part in fun games and activities on their website to enhance their learning, with all of these unique and creative tools being themed by the power of football.
